

The Mental Health Agenda: Implications for the school setting

Conference 2023

"A unique chance to take a holistic and evidenced-based review of the key mental health themes and discuss their relevance to school strategy and practice."

FRIDAY

17th March 2023

08:30AM - 01:30 PM

Catholic Institute
Floriana

JOIN US

g.gatt@materboniconsilii.edu.mt

Speakers include:

Dean Johnstone

Founder and CEO,
Minds Ahead.

Claire Sewell

Programme Manager,
Minds Ahead

By attending you will:

- Have a more profound understanding of what is meant by mental health in schools, by looking at the latest international thinking on the role of the school within the mental health agenda
- Develop deeper self-awareness so that you can address challenges at school
- Adapt and apply strategies that support the transformation of mental health in school
- Leave with a certificate of attendance

You will also understand more about the partnership between Mater Boni Consilii St Joseph School Paola and Minds Ahead and the possibility for future professional learning, including the School Mental Health Masters course accredited by Leeds Beckett University.
